Good Afternoon Lorena,

I hope you had a wonderful weekend.

I'd like to e-introduce you to Andrew Kasdin (cc'd), with the City of Los Angeles Department of Cultural Affairs.

We'd like to set up an appointment with you to discuss DCA's grant for the *Warner Grand World Stage* project. At your earliest convenience could you please send me dates/times you're available this week and next so that we can get it on calendar.

Thank you!
